Dear Sirs:

I am writing you in reference to documents in the possession of the President's Commission on the Assassination of President Kennedy.

Please send me the following items and bill them to my account:

1. Commission Document 41
2. " " 400
3. All documents dealing with Waldemar Boris Kara-patnitsky (or Patnitzky). If his name does not appear in your name files, please inform me, and send me Commission Document 1330 which I know deals with him, and also Commission Document #1373 if it has been declassified. [If it is still classified I would appreciate knowing under what guideline it is being withheld.]
4. Any documents dealing with John Glenn, a communist defector from San Antonio.

Thanks in advance for your help with these matters.

Sincerely,
